

**NASA/AIHEC 2006 Summer Research Experience
Faculty Application**

First Name	Last Name
Current Address	Current Telephone Number
Tribal College	E-mail Address
Field of Study/Instruction	Research experience
Areas of research interest	Do you wish to participate in follow-up activities during the academic year? Yes <input type="checkbox"/> No <input type="checkbox"/>

Letter of Application

Each team submission must include an application letter from the faculty member that includes:

- The subject area and type of research environment you would prefer you and your students be assigned to if given the choice and why.
- How you plan to support the student participants, both during the summer at the NASA Center and after you return to your home institution.
- What you hope to accomplish through the Summer Research Experience
- If you know of an individual with whom you would like to work, please specify that person.

Your letter should be approximately 250 – 750 words (up to three typewritten pages).

All application materials must be received by January 31, 2006. Send to:
